Par M. J. PERRIN.

NOUVELLE EDITION, CORRIGÉE et AUGMENTÉE,

Par M. MOYSANT,

Ancien Professeur de Rhétorique, &c. Professeur de Langue, de Littérature et de Belles Lettres Françoises.

LONDRES:

Chez A. STRAHAN; T. CADELL, Jun. & W. DAVIES, & P. ELMSLEY, dans le *Strand*. 1797.

AVERTISSEMENT.

LORSQUE le Dictionnaire de Chambaud, François — Anglois; Anglois — François parut en deux Vol. in 4°, il fut regardé en Angleterre et en France * comme le meilleur qui eût été publié pour ces deux Langues; mais la groſſeur de ſon volume le rend incommode pour les voyageurs, et trop cher pour la claſſe générale des écoliers. Dans la vue de le rendre utile aux uns et aux autres, et ſur tout pour faciliter les études des jeunes gens dans les Ecoles et les Académies, les Propriétaires engagérent M. Perrin d'en faire un abrégé qu'il termina avant de mourir. On le donna au Public, dans la perſuaſion qu'il y trouveroit moins d'imperfections que dans tous les autres ouvrages de la même eſpèce. Cet auteur dont le goût et la délicateſſe paroiſſent dans les ouvrages utiles et nombreux qu'il a publiés ſur la Langue Françoiſe, et qu'il avoit enſeignée pendant long temps aux jeunes Demoiſelles dans leurs familles et dans les écoles, s'étoit ſouvent plaint de trouver des mots indécens dans des Dictionnaires à l'uſage de la jeuneſſe. Les perſonnes chargées de leur éducation ſur tout de celle des demoiſelles ſauront gré à M. Perrin de les avoir ſoigneuſement rejettés de cet abrégé.

Le nouvel éditeur a non ſeulement ajouté pluſieurs milliers de termes d'arts, de géographie, &c. il a auſſi donné à l'écolier la facilité de diſtinguer des mots ordinaires ceux qui ne ſont d'uſage que dans le diſcours familier, et ceux qui ont vieilli, en mettant

† Avant les mots familiers.
‡ Avant les mots qui ne ſont plus d'uſage.

END OF THE FIRST PART.

BIBLIOTHECA BODLEIANA

CHAMBAUD's
DICTIONARY,
FRENCH and ENGLISH
AND
ENGLISH and FRENCH.

CONTAINING

The SIGNIFICATION of WORDS, with their different USES; The TERMS of ARTS, SCIENCES, and TRADES; to which is added a TABLE of the MONIES and MEASURES of EUROPE;

AND

The CONSTRUCTIONS, FORMS of SPEECH, IDIOMS, and PROVERBS uſed in both LANGUAGES:

The whole extracted from the beſt AUTHORS,

Compared with the DICTIONARY of the FRENCH ACADEMY, Dr. JOHNSON'S ENGLISH DICTIONARY, &c.

And carefully Abridged

By Mr. JOHN PERRIN.

A NEW EDITION, CORRECTED and IMPROVED,

By M. MOYSANT,

Ancient Profeſſor of Rhetorick, &c. Profeſſor of the French Language, Literature, and Belles Lettres.

LONDON:

Printed for A. STRAHAN; T. CADELL, Jun. and W. DAVIES, and P. ELMSLEY, in the *Strand*. 1797.

ADVERTISEMENT.

CHAMBAUD'S DICTIONARY, in French and Engliſh; and in Engliſh and French, in two Volumes Quarto, although univerſally eſteemed, both in England and France *, as the beſt Dictionary of both Languages extant, is nevertheleſs, on account of its ſize, too bulky for the traveller, and too expenſive for the general claſs of ſcholars. In order to accommodate both, but particularly with a view to facilitate the education of youth at Boarding Schools and Academies, the Proprietors prevailed on Mr. PERRIN to prepare an Abridgment of this celebrated Work for the preſs, which he juſt lived to complete; and they now offer it to the Public, humbly hoping, that it will be found to have fewer imperfections than any other book of the ſame kind. Mr. PERRIN, whoſe delicacy appears in all his numerous and uſeful publications on the ſtudy of the French Language, and who had been employed many years in teaching young Ladies both in private and in ſchools, had often experienced the inconvenience, and as often complained of the impropriety, of admitting indecent and improper words into Dictionaries intended for youth: All therefore who are intruſted with the care and education of pupils, eſpecially Ladies, will conſider themſelves obliged to Mr. PERRIN, for having carefully attended to this circumſtance, and rejected all ſuch words from the preſent Abridgment.

The Editor of this new Edition, beſides adding ſome thouſand Words, principally explaining Terms of Art, Geography, &c. has enabled the learner to diſtinguiſh ſuch Words as are only uſed in very familiar converſation, and ſuch as are become obſolete, by the following Marks;

† Before familiar expreſſions.

‡ Before obſolete words.

* For a Character of this Dictionary, ſee the Supplement to the ENCYCLOPEDIE, by D'Alembert and Diderot, under the article *Anglois*.

CHAMBAUD's

New ENGLISH and FRENCH

POCKET DICTIONARY.
